Modification Form Customer Portal

- **Authorization 1:** The user receives an overview of the terms and conditions of the underlying gas sales contract.
- **Authorization 2:** The user has insight into all metering points and load profiles belonging to the company (across locations).
- **Authorization 3:** The user can review invoices and payment status.
- **Authorization 4:** The user can commission price fixings (not applicable to fixed price contracts).
- **Authorization 5:** The user can submit the monthly and annual UY SS declaration.

*Referring to the "Authorization 5": The undersigned declares that natural gas was consumed for specific, designated purposes, as stipulated in Article 64, Section 1, of the Environmental Taxes Act and the respective ministerial regulation, which allows for exemption from energy tax. The CHP consumption to be exempted is metered separately, and the administration is organized in such a way that it clearly includes data on all business activities relevant to the levying of energy tax.
